I Can Say

My friend got a bad grade at school. Now he’s worried that he won’t be allowed to play at the park after school. I try to comfort him by talking in a sympathetic tone of voice. I say things to help him feel better. What could you say to your friend to make him feel better? Write it down in the bubble below.

I got a bad grade on my test. Now I can’t go to the park after school.
